adorne Collection

Discontinued - Extra-Capacity FPC Wall Plate, Bronze

Part No. AD3WPBR

Features & Benefits

adorne Cast Metal wall plates are created with real metals. Each wall plate is hand-crafted by artisans and no two are exactly alike. These slight variations in finish and color add to the unique beauty of the adorne Cast Metal offering.

Plate easily snaps onto included mounting frame and installs in minutes with no visible screws. adorne products fit into your existing electrical box, so no new wires are needed.

Complete your total designer look with options like a stunning adorne Accent Nightlight accessory.

Available in single, double, triple, and quad sizes to support up to four functions. Also available in 1-Gang, 3-Module sizes to support multiple functions in one electrical box, such as an outlet combined with a nightlight.

Pair with a classic white or contemporary magnesium switch or dimmer for a unique look.

Add that last finishing touch with adorne, a stunning, one-of-a-kind collection of switches, dimmers, and wall plates that will transform your walls from boring to absolutely breathtaking. It's time for a beautiful switch.
