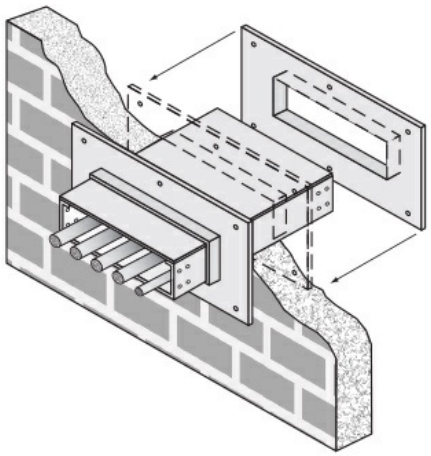
Cablofil
6H Fire Wall Penetration Sleeve
Part No. P314736



Fabricated cable tray fire stop sleeves from Legrand/Cablofil, combined with Firestop products, are an economical alternative to the high cost of fabricating protective fire wall and floor penetration sleeves in the field. This firestop system provides a rigid support for cable tray in a UL classified system approved for fire wall and floor penetrations.

Features & Benefits

Overall length of the sleeve is 20".

The Fire Block is a compressible fire stop brick, well-suited for installations where frequent cable changes may be required.

When exposed to fire, the blocks expand to lock the seal in place.

Will fit walls up to 8" thick.

Blocks are easily cut to fit any space, and can be removed and reinstalled when cable configurations change.

Specifications

General Info

Product Line	Cablofil	Finish	Pre-Galvanized
UPC Number	800388206205	Country Of Origin	Mexico

Dimensions

Product Width US	36.0 in	Product Weight US	79.017 lb
Product Volume US	5.0 cu ft	Product Depth US	20.0 in
Product Height US	12.0 in
