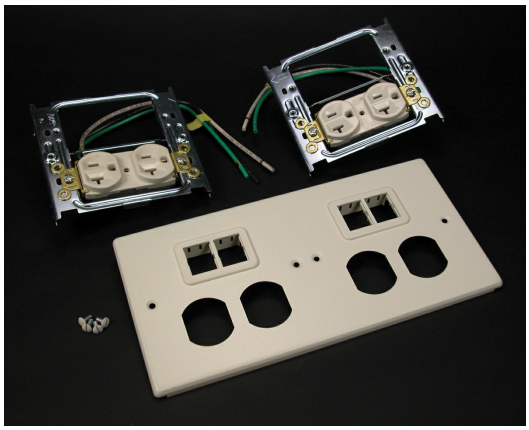
Wiremold

4-GANG W/TWO DUPLEX INSTALLED AND TWO TRACJACK MINI ADAPTERS-GRAY

Part No. CG4047-2WWTT



4000® Series Raceway is the work horse of surface raceway systems. 4000 Series Raceway can be divided for multi-service applications making it ideal for applications requiring a large cable capacity and dual-service requirements. Commercial, institutional, and industrial applications benefit from the rigid steel construction and durable ScuffCoat™ finish of this raceway. 4000 Series Raceway is also ideal for municipalities that have code requirements calling for all steel construction or that prohibit nonmetallic cable management systems.

Features & Benefits

Includes two Pass and Seymour 20A Duplex Receptacles with 12'' wire leads installed on bracket. Includes mini adapter that accepts two Ortronics TracJack inserts.

NOTE: Certified to Canadian Safety Standards for sale in Canada. When ordering these products, change the ''V'' color prefix to ''CV'' or the ''G'' color prefix to ''CG'' to denote the Canadian versions.
