Wiremold

TableSource™ Table Box with 1 Communication Opening, Surface-Mounted, 6' Cord

Part No. TSAX1F1AL1U

Connect your workspace with a Legrand® TableSource Series Work Surface Module. Ideal for task tables, desks, study carrels, or lecture halls, TableSource Modules provide the convenience of power and communication delivery while freeing your work surface from the clutter of cables and wires. Combining workstation connectivity inserts and convenient outlets, including USB charging ports, TableSource Work Surface Modules are accessible, and cost-effective solutions for linking portable computing and networked environments.

Features & Benefits

Durable aluminium construction - Sturdy enough for long-term use in high activity applications such as public schools, libraries and universities.
