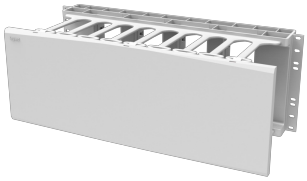
Ortronics

Horizontal Cable Manager, Single Sided, 4 rack unit, White

Part No. SHMC4RU-W



''

This Single-Sided Horizontal Cable Management Panel is the perfect solution for managing cables within a rack or cabinet in a wide variety of applications. This panel is designed to mount on any 19in EIA style rack or cabinet, and features a unique finger design that protects cables from damages. The cover mounts with six hinge clips to enable the door to be opened one-handed without becoming unhinged.

Features & Benefits

Provides a choice of less rack space or more capacity.

Protects cables, equipment and network performance.

No additional parts to order.
