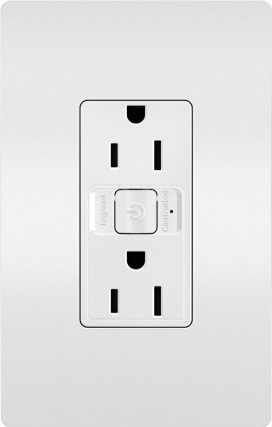
radiant® Smart 15A Outlet with Netatmo, White

Part No. WNRR15WH



With this 15A smart outlet, take control lamps or small appliances from anywhere. (One outlet is app-controlled, the other is always on.) Monitor and manage energy usage through the app to reduce utility cost and waste. Part of the radiant® with Netatmo solution. Smart Lighting lets you control lights and power, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs. Options even include wireless smart switches and dimmers for easily adding 3-way control. Screwless Wall Plates from the radiant® Collection included.

Features & Benefits

Smart Gateway REQUIRED.

Enables control of lamps or appliances via smartphones and tablets using the Legrand Home + Control app. Schedule them to turn on/off automatically, create groups, set scenes and monitor energy usage.

Installs easily in place of an existing 15A outlet. Can be wired to extend control to all outlets downstream or load-side. One outlet is app-controlled, the other is always on.

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with black "invisi-shutters" for an invisible effect.

Part of the radiant with Netatmo solution, which flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets.

Features ultra-reliable performance through a robust and dedicated mesh-network. (Established by the Smart Gateway.)

Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Screwless Wall Plate included. Coordinate with other designer switches and outlets available from the radiant® Collection for a cohesive, sophisticated look
