

Cablofil
SB-4A-90VI24-12 AL 90 IVR 24R 12W
Part No. P320647

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Includes 1 pair splices and hardware

Specifications

General Info

Product Line	Cablofil	Finish	Aluminum
--------------	----------	--------	----------

UPC Number	800388109902	Country Of Origin	Mexico
------------	--------------	-------------------	--------

Dimensions

Product Weight US	13.17 lb
