

Wattstopper Time Switch, 7-Button Countdown, White

Part No. RT-50-W

The RT-50 Preset Countdown Time Switch automatically turns lighting or other loads off when the selected on-time expires. It replaces standard single-pole wall switches for energy savings throughout a range of applications.

Features & Benefits

Seven-button preset time switch

Replaces single-pole switch

Lighted switch for visibility in darkened rooms

No current leakage to load in off mode for safety

Pushbutton switch for automatic-off control

Easy operation and precise time countdown

Choice of six preset on-times from 1 minute to 60 minutes
