

Pass and Seymour Series 16 In-Line Connectors

Part No. PS40MBW

400A 600V MALE CAM TYPE PLUG

Features & Benefits

Thermoplastic elastomer housing for outstanding impact and chemical resistance, as well as an exceptional seal for maintaining NEMA Type 3R and 4 integrity. Non-conductive retaining screw helps to insure no contact with live parts, along with providing stability to the fully assembled product. Heavy-duty brass male and female contacts provide a superior and consistent means of conductivity. Heavy-duty hex set screws allow greater termination torque. Copper wire provides quality strain relief. Copper shim bundles wire strands to reduce "splaying."

Specifications

| General Info | | | |
|-----------------------|----------------|--------------------|-----------------------|
| Product Line | Pass & Seymour | Color | White |
| Country Of Origin | Mexico | Application Sector | Commercial/Industrial |
| Standard | UL, cCSAus | | |
| Dimensions | | | |
| Product Length US | 6.875 in | | |
| Technical Information | | | |
| Amperage | 400 A | Number of Poles | Single Pole |
| Wire Size | 2/0 - 4/0 | Voltage | 600.0 V |

Operating Temperature: Maximum

continuous +75°C, minimum -40°C without impact: Flammability UL94 V2: Enclosure:

Environmental Conditions impact: Flar

NEMA Type 3R and 4
