

adorne Collection adorne® Smart Tru-Universal Dimmer with Netatmo, White Part No. WNAL50W1

Through Tru-Universal technology, this sofTap® smart dimmer switch works with virtually any 120V dimmable bulb or fixture. Pair with an adorne Wireless Smart Dimmer with Netatmo to gain easy 3way control. Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, adorne® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, smart dimmer light switches and smart outlets to build a solution that perfectly fits a home's unique space and needs. Made exclusively for use with Wall Plates from the adorne® Collection, sold separately.

## Features & Benefits

Smart Gateway REQUIRED.

Controls and dims lights via smartphones and tablets using the Legrand Home + Control app. Even schedule lights to turn on/off automatically, create groups, set scenes and monitor energy usage.

Installs easily in place of an existing switch or dimmer (neutral wire required). For easy 3-way control, pair it with a Wireless Smart Dimmer with Netatmo.

Features ultra-reliable performance through a robust and dedicated mesh-network. (Established by the Smart Gateway.)

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Works with virtually any 120V dimmable bulb or fixture (excludes 0-10V).

Part of the adorne with Netatmo solution, which flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets (including wireless switches and dimmers).

Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
