

Pass and Seymour Turnlok® 20A Watertight Connector, NEMA 4X/6P, Yellow Part No. 27W47

Rated watertight for 1,500 psi high-pressurehosedown, Pass and Seymour Turnlok watertight plugs and connectors feature rugged construction, multiple seals to ensure protection against the environment and ease of installation.

Features & Benefits

Thermoplastic elastomer (TPV) construction stands up to impacts, oils, chemicals, heat and weather.

Multi-point sealing system provides environmental protection of NEMA 4, 4X, 6, 6P, & IP67 rated.

Color-coded sealing bushings provided for large range of cord diameters

20 A

For Covering Patents, see www.legrand.us/patents.

Nickel-plated blades and contacts for long-lasting, superior corrosion resistance.

Devices resist high-pressure hosedown of 1,500 psi.

Large ribs on body for a superior grip when mating.

Double Pole
