

adorne Collection  
adorne® Night Light, White  
Part No. AANLM24

Perfect for hallways, kids' rooms, or anywhere a little bit of light can provide extra comfort and visibility. At night, the device provides a gentle glow, while built-in ambient light level sensors ensure the LED's invisible when the space is well-lit. Easily toggle through four levels to match the light to your need or preference, simply by pushing the square in the upper right-corner.

## Features & Benefits

For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.

The Half-Size Nightlight is designed to be installed next to another adorne device in a single Wall Plate.
