

adorne Collection adorne 15A Single Tamper-Resistant Outlet, Graphite Part No. ARTR151G10

Designed with the same commitment to style and safety as the entire adorne Collection, this device is ideal as a dedicated outlet for large or stationary appliances, or in small or narrow areas where a single plug is needed. The single outlet features "invisi-shutters" for discreet tamper-resistance that keeps children safe without compromising on style.

Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

Replaces a standard outlet with ease in as little as 10 minutes.

Creates a designated outlet, ideal for use with appliances or products and devices with larger plugs.

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect.

More color options available to fit any style, including finishes to match current hardware and lighting trends.
