

On-Q
PoE Injector Module
Part No. DA1102

Convert to PoE

Features & Benefits

PoE Injector Module

Specifications

General Info

Product Line	On-Q	UPC Number	804428054702
--------------	------	------------	--------------

Country Of Origin	Taiwan, Province Of China	Number of Receptacles	1
-------------------	---------------------------	-----------------------	---

Application Sector	Residential
--------------------	-------------

Technical Information

Output Voltage	48 V	Connection	RJ45
----------------	------	------------	------

Amperage	500 mA	Input Voltage	48 VDC
----------	--------	---------------	--------

Environmental Conditions	Up to 93% humidity, non-condensing
--------------------------	------------------------------------
