

radiant Collection  
radiant® Quad USB Charger, Black  
Part No. TM8USB4BKCC6

Charge more devices simultaneously with the Quad USB Charger. Perfect for creating a charging station to meet your family's needs, it combines the sleek, clean lines of the radiant® Collection with the incredible convenience of four USB connections. Go ahead and charge your smartphone, tablet, Bluetooth speaker, and camera all at once – no bulky adapters needed. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

## Features & Benefits

Provides convenient built-in charging for multiple devices simultaneously, via four USB Type-A connections and 4.2A of total charging capacity.

Features installation ease and flexibility, with a slim depth to fit any box and both back and side wire terminals.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.

All Legrand USB Outlets are manufactured through high-quality design, sourcing and production, and backed by a Lifetime Warranty.

More color options available to fit any style, including finishes to match current hardware and lighting trends.
