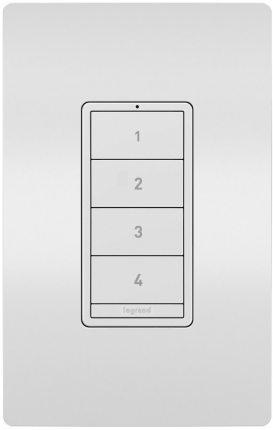
radiant Collection

radiant® Wireless Smart Scene Controller with Netatmo, White

Part No. WNRCB40WH



Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs. Use this battery-operated smart scene switch to control up to four full lighting scenes with one touch. Add to any wall, no wires or tools needed, then create your scenes easily within the app. A great addition for living rooms, dens and more, the switch makes it simple to quickly set the perfect lighting for a movie or game night. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

- Smart Gateway REQUIRED
- Installs easily, no wiring required, for ultimate flexibility. Simply mount to any wall for long-lasting, battery-powered control
- Must be used in conjunction with installed Smart Switches, Dimmers and/or Outlets with Netatmo
- Features ultra-reliable performance through a robust and dedicated mesh-network
- Screwless Wall Plate included. Coordinate with other designer switches and outlets available from the radiant® Collection for a cohesive, sophisticated look
- Enjoy one-touch control of four lighting scenes (not including Home/Away and Wake/Sleep). Easily create and manage scenes from your smartphone or tablet using the Legrand Home + Control app
- Part of the radiant with Netatmo solution, which flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets (including other wireless switches and dimmers)
- Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems
- More color options available to fit any style, including finishes to match current hardware and lighting trends
