

Pass and Seymour
Discontinued - LS Series Incandescent Slide Dimmer, White
Part No. LS600PW

Incandescent Slide Dimmer, Preset 600W

Features & Benefits

Ergonomic design and solid, quality feel combine for smooth, easy operation and precise Electromagnetic and radio-frequency interference protection built in. control.

Sleek, sculpted contemporary design. No dirt-catching crevices.

Preset ON/OFF switch automatically returns controlled lights to preset level without readjusting dimmer setting.

Superior heat management.

Patented Snap-In Light Module (sold separately) transforms the dimmer into an illuminated dimmer.

Tough, impact-resistant thermoplastic housing makes it a perfect choice for new home construction. Matching, unbreakable TradeMaster wall plate available for all models.

Exclusive, screw-pressure-plate back wire terminals save time, space and money. Designed for 12 and 14 gauge wire, stranded or solid. No-wire-lead design eliminates wire nuts.

No derating on 600W units.

For covering patents, see www.legrand.us/patents.
