

Nuvo
Discontinued - P10 Keypad, Light Almond
Part No. NVP10LA

The Nuvo P10 Keypad (NV-P10-LA) offers convenient in-wall control of core functions of a single zone of any Player Portfolio system. The P10 offers users easy command of Volume, Mute, Play, and Pause, as well as Next/Previous track navigation, and with additional access to five system preset Favorites. With its sleek backlit design, available color options (white, light almond, and nickel), and single-gang architecture, the P10 pairs simplicity with style. The P10 works in harmony with the Nuvo Player app to keep both control methods in perfect sync, and is powered by a single RJ45 POE connection.

Features & Benefits

Available in White, Light Almond, and Nickel	Convenient in-wall control of Play, Pause, Volume, Mute, and Track Skip
Dimmable white LED backlit keypad	Favorite button recall quickly jumps to top five preset sources
Single wire connectivity via POE	Sleek single-gang design for unobtrusive wall placement
