A FRESH IDEA FOR COOKING LIGHT.

Have power galore without a single outlet in plain sight. Plug in lights to make the dark places shine. The adorne collection brings illumination to your kitchen with easily swappable outlets, lighting options, USB ports, music, and, most of all, flexibility.

LINEAR LIGHTING

Get inspired with interactive planning tools, videos, and stunning room imagery at www.adornemyhome.com.
Live More.
Wire Less.

Have your house welcome you home with a lights-on preset. Use a smart phone app to save energy and add security features. Life is richer (and sweeter) with adorne Wi-Fi solutions.

App-based lighting control for the home

How it Works

1. Replace any standard light switch with a Wi-Fi ready switch or dimmer.
2. Plug the Hub into your home network.
3. Download the Legrand Lighting Control app.
4. Easily set up your custom lighting settings. Enjoy!
