Tru-Universal Whisper™ Style Dimmers

adorne® Tru-Universal Dimmers do something today’s dimmers don’t: they simply work – with virtually any dimmable lamp, load, and fixture on typical residential and light commercial wiring (with the exception of 0-10V LED drivers). Once a user selects the lamp type, the dimmer’s self-calibrating technology automatically sets the minimum voltage of that lamp.

Whisper™ Style Dimmers feature classic, elegant lines and a fluid motion allowing you to turn lights on and off with ease and a slide for dimming or brightening lights. Integral silver contacts provide long-lasting performance.

The Locator Status Light is integrated in the Tru-Universal Whisper Style Dimmers. This feature provides illumination and makes it easier to locate in the dark. adorne® Whisper™ Style Dimmers are available in white or magnesium finishes to complement the broad range of adorne device plate options that are available.

FEATURES & BENEFITS

- adorne devices fit in all existing NEMA-approved wallboxes.
- Heavy gauge steel frame is grounded via factory installed 12AWG ground lead. Device and metal wall plates are self-grounded to frame.
- Device snaps into the frame and self-aligns without any screws.
- Wall plate snaps onto frame; no screws required.
- Modular system solves device alignment problems, improving fit and finish in multi-gang installations.
- Wall plate and frames available in 1-6 gang sizes.
- Backwire terminal screws are recessed into back of body.
- adorne devices can be installed in any existing standard wallbox.

COMPLEMENTARY PRODUCTS

adorne® also offers Paddle Style Dimmers and Fan Control Devices to pair with our Paddle Style Switches for an overall, aesthetically pleasing and multi-functional installation.

adorne® Wall Plates provide the perfect complement to adorne Switches, Dimmers, Outlets, and Accessories. The collection includes a variety of finishes, from metals to leather and wood, as well as plastic plates that are available in contemporary and classic colors.

Each wall plate is packaged with a metal frame to enable easy installation when paired with a device. All plates are screwless and simply snap onto the included metal frame. All adorne wall plates are UL and ETL-approved.
