Paddle™ Style Switches

adorne® Paddle™ Style Switches feature a wide graceful paddle that works with a simple up and down motion, allowing you to turn lights on and off with ease. Integral silver contacts provide long-lasting performance.

Pair a Locator Status Light with your Paddle switch to add illumination and make it easier to locate in the dark. adorne® Paddle™ Style Switches are available in white or magnesium finishes to complement the broad range of adorne device plate options that are available.

features & benefits

- Heavy gauge steel frame is grounded via factory installed 12AWG ground lead. Device and metal wall plates are self-grounded to frame.
- Device snaps into the frame and self-aligns without any screws.
- Wall plate snaps onto frame; no screws required.
- Modular system solves device alignment problems, improving fit and finish in multi-gang installations.
- Wall plate and frames available in 1-6 gang sizes.
- Backwire terminal screws are recessed into back of body.

### COMPLEMENTARY PRODUCTS

adorne® also offers Paddle Style Dimmers and Fan Control Devices to pair with our Paddle Style Switches for an overall, aesthetically pleasing and multi-functional installation.

**adorne® Wall Plates** provide the perfect complement to adorne Switches, Dimmers, Outlets, and Accessories. The collection includes a variety of finishes, from metals to leather and wood, as well as plastic plates that are available in contemporary and classic colors. Each wall plate is packaged with a metal frame to enable easy installation when paired with a device. All plates are screwless and simply snap onto the included metal frame. All adorne wall plates are UL and ETL-approved.
COMPLEMENTARY DEVICES & ACCESSORIES

**sofTap™**
Switches & Dimmers – designed with an innovative micro-movement that turns lights on and off with just a soft “tap” of the finger.

**SensaSwitch™**
Switches & Dimmers – Sensor turns lights on when you enter a room and off when you leave. [Also available in Manual-ON/Auto-OFF format.]

**Whisper™**
Switches & Dimmers – A smart design that features elegant lines and a quiet, fluid motion.

**Touch™**
Switches & Dimmers – A stunning translucent face works just like an iPhone® — simply touch your finger on the circle to turn lights on and off.

**Paddle™**
Switches, Dimmers & Fan Speed Controls – A wide, graceful curve works with a simple up-and-down motion, allowing you to turn lights on and off with ease.

**Wave™**
Switches – Smart technology combined with sleek, modern design. Simply wave your hand to turn lights on and off.

**Push™**
Switches – A tactile, finger-sized impression lets you turn lights on and off with a simple push-button motion.

**Tamper-Resistant Outlets/Tamper-Resistant GFCI Outlets**

**USB Charging Outlets**

**Nightlight/Portable Nightlight Flashlight**

PLUS: Compatible Wall Plates, Accent Lights, Locator Lights, Under-Cabinet Lighting System
