

RACK & STACK

Packaging Solution

T6 & T-Series Cabinet Packaging Option

Designed for shipping with equipment loaded, our T-Series and T6 cabinet platforms may be paired with our Rack & Stack package solution making them perfect for integrators who offer services in hyperscale and colocation environments.

The Rack & Stack packaging solution has been tested to ISTA 3B for a 3000 pound dynamic load capacity and is available with everything needed to ship a fully loaded cabinet.
