Nuvo begins as the Davitt & Hanser Music Company. Later renamed Hanser Holdings International (HHI), Nuvo has become one of the most trusted names in music manufacturing and distribution.

1924
HHI acquires the world-renowned music amplification and engineering company Kustom.

1989
Kustom introduces the first integrated whole home audio system under the name Kustom Home Sound.

1991
HHI launches Nuvo, the new brand name of Kustom Home Sound.

2002
Legrand, North America acquires Nuvo. Today, Nuvo continues to deliver unparalleled innovations in sound.

2012

DESIGNED BY AUDIOPHILES.
Nuvo, the award-winning product line of Legrand, specializes in advanced whole home audio systems and solutions that deliver a truly unparalleled listening experience. With a deep-seated passion for music and an audio lineage reaching back to 1924, Nuvo was born of the Kustom Home Sound brand, the same company that delivered stage amplification for professional musicians ranging from Johnny Cash to Quiet Riot. Today, Nuvo continues to deliver innovative, high-performing products for professional home audio installations.
EXPLORE A WORLD OF MUSIC.

The Player Portfolio offers true listening freedom with built-in access to endless music options - from networked audio content and iTunes libraries, to an expansive variety of Internet radio and streaming services. Whether it’s an old favorite or the newest hit, your home will be filled with the music that moves you.

PLAYER PORTFOLIO.

Designed with the professional installer in mind, the flexible, powerful Player Portfolio system delivers incredible high-fidelity audio to every room of the home. Conveniently available in wired or wireless configurations, the single zone Players and multi-zone rack-mount Players make it easy to build a unified whole home audio experience in up to 16 different zones. Easy to install and even easier to enjoy, the Player Portfolio offers an unparalleled listening experience with endless music options at your fingertips.

THE PLAYER ECOSYSTEM.

Simply connect a Nuvo Player to the home network and your favorite speakers. To start listening, use the free Player Portfolio app to quickly connect and set up the system. Easily expand home audio to other rooms by adding Players in other zones.

Flexible, powerful system delivers incredible high-fidelity audio.
Conveniently available in wired or wireless configurations.
Single zone Players and multi-zone rack-mount Players make it easy to build a unified whole home audio experience in up to 16 different zones.
Easy to install and enjoy, the Player Portfolio offers an unparalleled listening experience with endless music options at your fingertips.
COMPLETE CONTROL.

**Nuvo Player App**

Nuvo makes it easy to get right to the music you love with the intuitive Player app. By automatically displaying your favorite music services and artists, it allows fast, simple browsing with a world of music available right at your fingertips. Play different songs in every room, or stay in perfect sync when broadcasting a single song throughout the home.

**In-Wall Keypads and Touch Screen**

Enjoy intuitive control where you need it most with the Nuvo Touchscreen and Keypads. With a fixed on-wall location, these devices add a whole new layer of convenience to the Player Portfolio system, providing instant access to music for anyone in the home. Installation is a breeze with a single PoE connection.

**P30 Touch Screen**
- Wall-mounted tablet runs the Nuvo Player app for complete management of all zones, sources, and audio functions
- Sleek, high contrast 7” Android 1024 x 600 IPS capacitive touch screen
- Connects easily with a single RJ45 802.11 af PoE cable
- Universal mounting plate for quick installation
- Available in both black and white

**P20 Keypad**
- Capacitive touch backlit display provides accessible in-wall control of a single zone
- Control Play, Pause, Volume, and Track Navigation
- A single button allows quick access to 5 preset favorites
- Connects easily with a single RJ45 802.11 af PoE cable
- Designed for Livinglight, Arteor and Valena Life wall plates available throughout Europe and adorne wall plates in North America.

**P10 Keypad**
- Convenient in-wall control of a single zone
- Control Play, Pause, Volume, Mute, and Track Navigation
- A single button allows quick access to 5 preset favorites
- Connects easily with a single RJ45 802.11 af PoE cable
- Available in white, light almond and nickel

**Nuvo Player App**

Manage music library, power, and playlists, as well as Play, Pause, Volume, Mute, Skip Track, and more

- Choose music from an unlimited variety of sources
- Easy browsing by song, album, genre, and artist
- Control music in every zone or group together to play one song throughout the home
- Download app for free from iTunes and Google Play
PROFESSIONAL FINISH. PROFESSIONAL POWER.

Professional Multi-Zone Rack Mount Players
Deliver a powerful experience with Nuvo’s high-performing, professionally-installed multi-zone players. These sleek rack mount AV units occupy 1U of rack space, but cover three listening zones for a clean installation with maximum efficiency. Hard-wire multiple players with Ethernet for centralized integration.

**P3100 PROFESSIONAL SERIES PLAYER**
- 3 zone, with 40-watts per zone at 8 ohms
- High-performance amplifier operates coolly and saves energy while minimizing distortion
- Rack mount ears included

**P3100 Specifications**
- **Power**: 20w per channel @ 8 ohms
- **Network**: Wired
- **# of Zones**: 3
- **# of Channels**: 2 per zone
- **Input**: 3.5mm x 3, USB x 3
- **Preamp Output**: 3.5mm x 3

**P3500 PROFESSIONAL SERIES PLAYER**
- 3 zone, with 100-watts per zone at 8 ohms
- Extreme power efficiency for superior amplification, featuring Bang and Olufsen’s intelligent ICEpower® audio technology
- Connect additional components via RCA line in/out
- Rack mount ears included

**P3500 Specifications**
- **Power**: 50w per channel @ 8 ohms, 100w per channel @ 4 ohms
- **Network**: Wired
- **# of Zones**: 3
- **# of Channels**: 2 per zone
- **Input**: RCA x 3, USB x 3
- **Preamp Output**: RCA x 3

**P4300 PROFESSIONAL SERIES PLAYER**
- Highest quality rack mount player with DSP for enhanced performance
- 3 zone, with 110-watts per zone at 4, 6 or 8 ohms (ohm load is selectable within the app)
- Backlit touch screen supports easy setup with visible system status, zone names, and more
- Large side-mounted heat sinks and no fans for convenient single-space rack mounting
- 3.5mm combination analog/TOSLINK jacks for line inputs and outputs
- Rack mount ears included

**P4300 Specifications**
- **Power**: 55w per channel @ 4, 6, or 8 ohms
- **Network**: Wired
- **# of Zones**: 3
- **# of Channels**: 2 per zone
- **Input**: Auto-sensing 3.5mm analog or optical x 3 (Toslink to 3.5mm adapters included), USB x 3
- **Preamp Output**: Auto-sensing 3.5mm analog or optical x 3 (Toslink to 3.5mm adapters included)
FLEXIBLE SOLUTIONS.

**Wired/Wireless Single-Zone Players**
Introduce incredible audio into hard-to-wire spaces with Nuvo wireless single-zone players. Ideal for easily adding zones to an existing Player Portfolio System, single-zone players support both wired Ethernet or Wireless 802.11a/b/g/n configuration options for optimal flexibility.

**P100 PLAYER AMPLIFIER**
Give any room instant access to endless music options, or stay perfectly in sync when all zones are playing the same song.
Provides a total 40 watts of power at 8 ohms to a single zone.

**P100 Specifications**
- **Power**: 20w per channel @ 8 ohms
- **Network**: Ethernet or Wireless 802.11a/b/g/n
- **# of Zones**: 1
- **# of Channels**: 2
- **Inputs**: 3.5mm, USB
- **Output**: 3.5mm

**P200 PLAYER AMPLIFIER**
Instant access to endless music options, or stay perfectly in sync when all zones are playing the same song.
Connect to any Bluetooth-enabled device to listen instantly.
Provides a total 120 watts of power at 8 ohms to a single zone.

**P200 Specifications**
- **Power**: 60w per channel @ 8 ohms stable
- **Network**: Ethernet or Wireless 802.11a/b/g/n
- **# of Zones**: 1
- **# of Channels**: 2
- **Inputs**: 3.5mm, Bluetooth, USB
- **Output**: 3.5mm

**P300 PLAYER PREAMPLIFIER**
Designed for maximum versatility, connect to any external amplifier or receiver to create a fully functioning zone.
Offers all the benefits of Player Portfolio including expansive source variety, convenient app control, and stunning hi-fi quality.

**P300 Specifications**
- **Power**: Unpowered
- **Network**: Ethernet or Wireless 802.11a/b/g/n
- **# of Zones**: 1
- **Inputs**: Auto-sensing 3.5mm analog or optical (Toslink to 3.5mm adapters included), USB
- **Output**: Auto-sensing 3.5mm analog or optical (Toslink to 3.5mm adapters included)

### P400 Specifications

**Network**
- Ethernet or Wireless 802.11a/b/g/n

**Input**
- 3.5mm analog

**Dimensions**
- 368 W x 217 H x 149 D (mm)
- 14.5 W x 8.56 H x 5.88 D (in)

### P500 Specifications

**Network**
- Ethernet or Wireless 802.11a/b/g/n

**Input**
- RCA, Toslink, USB

**Sound Bar**
- 877 W x 115 H x 108 D (mm)
- 34.5 W x 4.25 H x 4.5 D (in)

**Subwoofer**
- 231 W x 261 H x 303 D (mm)
- 9.1 W x 10.25 H x 11.9 D (in)

---

**Tabletop Speaker**
Stream music to any room with this all-in-one stereo speaker and amplifier, or easily expand an existing Player Portfolio system with an additional zone of audio. With a powerful 2.1 system, the P400 fills any room with rich, full-bodied sound, and stays perfectly in sync with other zones playing the same song. Blending premium performance with installation flexibility, the tabletop speaker makes it easier than ever to listen to the music you love - whenever or wherever you might want to listen.

**P400 Tabletop Speaker**
- All-in-one single-zone amplifier and stereo speaker easily expands the Player Portfolio system
- Powerful 2.1 system with 5 1/4" subwoofer, two midrange drivers, and two tweeters
- Conveniently controlled with the Nuvo Player app and optional in-wall keypads
- Capacitive touch controls on the device provide Play, Pause, Volume, Mute, and Track Navigation
- Wired or wireless connection allows for flexible installation

---

**Sound Bar and Subwoofer**
Merging the exceptional audio quality of Player Portfolio with dynamic home theater technology, the P500 delivers a cinematic experience that true audiophiles will love. With a powerful 2.1 system, complete with an 8" wireless subwoofer, the Sound Bar boosts listening experiences, playing movie, TV, or game audio in brilliant clarity. Better yet, the P500 is a single-zone Player Portfolio amplifier, granting access to networked music collections and endless streaming services. With convenient control options and simple setup, the Sound Bar delivers an immersive audio experience to complete any home theater.

**P500 Player Sound Bar and Subwoofer**
- All-in-one single-zone Player Portfolio amplifier and home theater Sound Bar
- Powerful 2.1 system complete with 8" wireless subwoofer
- Conveniently controlled with the included IR remote, Nuvo Player app, optional in-wall keypads, or the capacitive touch controls
- Customized listening modes for music, movie, voice, and night
- Mounting bracket included

INSTALLER-INSPIRED DESIGN.

Professional Solutions
Dedicated to engineering innovative multi-room audio solutions, every product and system feature in the Nuvo Player Portfolio line is designed with meticulous detail to support the needs of professional integrators. From flexible wired or wireless configurations and simple set-up, to seamless third-party integration and effortless control, Player Portfolio is the all-in-one solution for dynamic whole home audio.

Seamless Integration
With pre-written drivers, it’s easy to integrate the exceptional audio of Nuvo into advanced control systems from Vantage, Control4, Elan, Crestron, KNX, and more. View the full list of integration partners: legrand.us/nuvo-integration

Professional Rack-Mount Solutions
Nuvo’s professional rack-mount Players provide a cleaner installation with a more efficient use of space in the AV rack.

Flexible System Design
The Player Portfolio offers a comprehensive line of scalable home audio products available in wired or wireless configurations. Flexible options including the home theater sound bar and tabletop speaker make it simple to specify the right solution for any project.

Remote Monitoring and Device Management
Domotz PRO network management software simplifies installations and allows remote monitoring, tech support, and troubleshooting of Nuvo devices from anywhere – saving installers time, adding value, and improving efficiency.

A Spare-No-Expense Attitude on Audio Quality
Offering a reproduction quality that is true to every artist and song, Player Portfolio supports true 24 bit/192 kHz high-resolution streaming audio – the way sound was meant to be heard.

UNPRECEDEDENT PERFORMANCE.

Nuvo Speakers
Be heard and not seen with Nuvo’s line of professionally-installed, built-in speakers. Designed with the same level of quality as our high-performing audio systems, Nuvo speakers’ impeccable sound quality satisfies even the most discriminating audiophile. Even better, Nuvo speakers are specially designed to fit every space, project, and price point.

SERIES TWO
BALANCED
Series Two tweeters are made from silk for smoother highs.

SERIES FOUR
ENHANCED
Series Four tweeters are made from aluminum for brighter sound.

SERIES SIX
PREMIUM
Series Six tweeters are made from titanium for ultimate performance.

Series Two woofers are constructed with high-grade polymer for deep bass.

Series Four woofers are constructed with glass fiber for minimal distortion.

Series Six woofers are constructed of Kevlar® and carbon fiber to handle the heaviest loads.
SERIES TWO SPEAKERS

Designed to deliver balanced, moderate sound

Polypropylene woofers are constructed with high-grade polymer for a rich, deep bass

Pivoting dome tweeters are made from silk for smooth smart highs

Power Handling: 100w peak/ 50w RMS with 8 ohms

ARCHITECTURAL SUBWOOFERS AND AMPS

**NV-SUBIC8**
Discrete ceiling-mounted passive 8" subwoofer ideal for small to medium sized audio installations
Installation-friendly infinite baffle design
Pair up with optional NV-SUBAMP100-xx amplifier
Round magnetic grill included. Optional square magnetic grill (NV-RGIC8-SQR).
Up to two subwoofers may be used with optional NV-SUBAMP100-xx amplifier
Lifetime warranty
Space-saving design

**NV-SUBAMP100**
Powerful compact all digital subwoofer amplifier ideal for small to medium sized audio installations
Installation-friendly wall-mountable design
Unfiltered LFE (low frequency effects), RCA and speaker level inputs
EQ settings for use with any Nuvo passive in-ceiling or in-wall subwoofers
Signal-sensing power ON/OFF
Variable crossover and phase adjustment
Two year warranty
Efficient all-digital 100 watt amplifier
Convenient power connection for optional wireless receiver

**NV-SUBIW8**
Discrete wall-mounted passive single 8" subwoofer ideal for medium sized audio installations
Installation-friendly sealed cabinet design
Pair up with optional NV-SUBAMP200-xx amplifier
Square magnetic grill included
Up to two single subwoofers may be used with optional NV-SUBAMP200-xx amplifier
Lifetime warranty
Space-saving design

**NV-SUBAMP200**
Powerful all digital subwoofer amplifier ideal for medium sized audio installations
Installation-friendly rack-mountable design
Unfiltered LFE (low frequency effects) and RCA line level inputs
EQ settings for use with any Nuvo passive in-ceiling or in-wall subwoofers
Signal-sensing power ON/OFF
Variable crossover and phase adjustment
Two year warranty
Efficient all-digital 200 watt amplifier
ARCHITECTURAL SUBWOOFERS AND AMPS

**NV-SUBWDUAL8**
Discrete wall-mounted passive dual 8” subwoofer ideal for medium and larger sized audio installations
Installation-friendly sealed cabinet design
Pair up with optional NV-SUBAMP500-xx amplifier
Rectangular magnetic grill included
Up to two dual subwoofers may be used with optional NV-SUBAMP500-xx amplifier
Lifetime warranty
Space-saving design

**NV-SUB8**
Powerful front-mounted 8” subwoofer ideal for small-medium sized audio installations
Installation-friendly front-firing woofer and single port
Compact design requires just over a square foot of space
Durable MDF enclosure construction ensures distortion-free bass response
Unfiltered LFE (low frequency effects) input, RCA stereo input and output, and USB port
Signal-sensing power ON/OFF
Variable crossover and phase adjustment
Woofer has lifetime warranty and amplifier has two year warranty
Efficient all-digital 100 watt amplifier

**NV-SUB10**
Powerful front-mounted 10” subwoofer ideal for mid-sized audio installations
Installation-friendly front-firing woofer and dual ports
Efficient all-digital 200 watt amplifier
Durable MDF enclosure construction ensures distortion-free bass response
Unfiltered LFE (low frequency effects) input, RCA stereo input and output, and USB port
Signal-sensing power ON/OFF
Variable crossover and phase adjustment
Woofer has lifetime warranty and amplifier has two year warranty
Efficient all-digital 300 watt amplifier

**NV-SUB12GB**
Powerful front-mounted 12” subwoofer ideal for custom audio installations
Efficient all-digital 300 watt amplifier
Durable MDF enclosure construction ensures distortion-free bass response
Unfiltered LFE (low frequency effects) input, RCA stereo input and output, and USB port
Signal-sensing power ON/OFF
Variable crossover and phase adjustment
Woofer has lifetime warranty and amplifier has two year warranty

POWERED SUBWOOFERS

**NV-SUBAMP500**
Powerful all digital subwoofer amplifier with DSP ideal for larger sized audio installations
Installation-friendly rack-mountable design
Unfiltered LFE (low frequency effects) and RCA line level inputs
EQ settings for use with any Nuvo passive in-ceiling or in-wall subwoofers
IR input for simple use with control systems
Menu selectable variable crossover, power mode and phase adjustment
Two year warranty
Efficient all-digital 500 watt amplifier

**NV-SUB8**
Powerful front-mounted 8” subwoofer ideal for small-medium sized audio installations
Installation-friendly front-firing woofer and single port
Compact design requires just over a square foot of space
Durable MDF enclosure construction ensures distortion-free bass response
Unfiltered LFE (low frequency effects) input, RCA stereo input and output, and USB port
Signal-sensing power ON/OFF
Variable crossover and phase adjustment
Woofer has lifetime warranty and amplifier has two year warranty
Efficient all-digital 100 watt amplifier

**NV-SUB10**
Powerful front-mounted 10” subwoofer ideal for mid-sized audio installations
Installation-friendly front-firing woofer and dual ports
Efficient all-digital 200 watt amplifier
Durable MDF enclosure construction ensures distortion-free bass response
Unfiltered LFE (low frequency effects) input, RCA stereo input and output, and USB port
Signal-sensing power ON/OFF
Variable crossover and phase adjustment
Woofer has lifetime warranty and amplifier has two year warranty
Efficient all-digital 300 watt amplifier

**NV-SUB12GB**
Powerful front-mounted 12” subwoofer ideal for custom audio installations
Efficient all-digital 300 watt amplifier
Durable MDF enclosure construction ensures distortion-free bass response
Unfiltered LFE (low frequency effects) input, RCA stereo input and output, and USB port
Signal-sensing power ON/OFF
Variable crossover and phase adjustment
Woofer has lifetime warranty and amplifier has two year warranty
IMMERSIVE OUTDOOR AUDIO.

**Landscape Speakers**
Deliver dynamic sound quality through any outdoor environment with the durable and scalable Series Two Landscape Speakers. The low-profile, black teardrop satellite speakers have 3.5” poly woofers and .5” UFLC tweeters for clear, robust audio and even coverage. The powerful 8” buried subwoofer blends subtly into the landscape while providing a stand-out bass response. Designed for years of performance, the Landscape Speakers are rated for outdoor use and durability in extreme weather conditions.

**LANDSCAPE SPEAKERS**
Complete 5-piece system comes with 4 two-way satellite speakers and an 8” in-ground subwoofer
IP-67 and MIL-STD-810 compliant
8 ohm system pairs perfectly with Player Portfolio products or any 8 ohm amplifier
Highly scalable with option to add-on additional satellite speakers
Lifetime Warranty

**Outdoor Speakers**
Elevate exterior living spaces with Series Two and Series Six Outdoor Speakers. The sleek enclosure boats a modern form and minimal size that tastefully blend with the lines of any home. They deliver a clean, powerful sound and are rated for outdoor use. Designed for easy installation, the speaker safely rests on the bracket with mounting knobs loosely installed to allow flexibility while wiring the removable phoenix connector. After the terminal has been secured, simply adjust the angle, tighten knobs, install covers, and mounting is complete.

**OUTDOOR SPEAKERS**
Delivers clear, powerful sound to exterior spaces
IP65 and MIL-STD-810 rated
Designed for safe and easy installation
8 ohm rated
Available in black and white

COLOR KEY: Replace XX with the appropriate color code for part number.
Subwoofers

**NV-SUB8**
- Impedance: 8 Ohms
- Frequency: 20Hz - 200Hz
- Power: 200w
- Woofer Material: Poly

**NV-SUB10**
- Impedance: 8 Ohms
- Frequency: 20Hz - 200Hz
- Power: 200w
- Woofer Material: Poly

**NV-SUB12GB**
- Impedance: 8 Ohms
- Frequency: 20Hz - 200Hz
- Power: 300w
- Woofer Material: Kevlar® / Carbon Fiber Weave

**NV-SUB8**
- Impedance: 8 Ohms
- Frequency: 20Hz - 200Hz
- Power: 100w
- Woofer Material: Poly

**NV-SUB10**
- Impedance: 8 Ohms
- Frequency: 20Hz - 200Hz
- Power: 200w
- Woofer Material: Poly

**NV-SUB12GB**
- Impedance: 8 Ohms
- Frequency: 20Hz - 200Hz
- Power: 300w
- Woofer Material: Kevlar® / Carbon Fiber Weave

**NV-SUBTXRX**
- Easily add a Nuvo powered subwoofer to almost any system wirelessly
- Receiver is conveniently powered via USB when used with Nuvo powered subwoofers
- Automatic frequency-hopping if interference is detected
- Connect up to four wireless subwoofers to one transmitter with the addition of NV-SUBTXRX receivers
- Wireless connection allows freedom of placement choice for the best sound
- Two year warranty
- Latency of less than 20 milliseconds

**NV-SUBIC8**
- In-Ceiling Passive 8" Subwoofer
- Overall Subwoofer Dimensions: 10.7" / 272.4mm
- Cutout Dimensions: 9.1" / 231.1mm
- Speaker Size: 8" High Output
- Mounting Depth: 4.3" / 108mm
- Frequency Response: 23Hz - 200Hz

**NV-SUBIC8**
- In-Ceiling Passive 8" Subwoofer
- Overall Subwoofer Dimensions: 10.7" x 10.7" / 272.4 x 272.4mm
- Cutout Dimensions: 9.1" x 9.1" / 231.1 x 231.1mm
- Speaker Size: 8" High Output
- Mounting Depth: 4.3" / 108mm
- Frequency Response: 23Hz - 200Hz

**NV-SUBIW8**
- In-Wall Single Passive 8" Subwoofer
- Overall Subwoofer Dimensions: 13.7 x 13.7" / 347.6 x 347.6mm
- Cutout Dimensions: 12 x 12" / 304.8 x 304.8mm
- Speaker Size: 8" High Output
- Mounting Depth: 4.2" / 106.8mm
- Frequency Response: 35Hz - 200Hz

**NV-SUBIW8**
- In-Wall Dual Passive 8" Subwoofer
- Overall Subwoofer Dimensions: 13.7 x 21.6" / 347.6 x 547.6mm
- Cutout Dimensions: 12 x 19.75" / 304.8 x 501.2mm
- Speaker Size: Dual 8" High Output
- Mounting Depth: 4.2" / 106.8mm
- Frequency Response: 29Hz - 200Hz

**NV-SUBAMP100**
- 100 Watt Digital Wall-Mount Subwoofer Amplifier
- Unit Size: 8.0 x 7.4 x 2.0" / 203.2 x 187.9 x 50.8mm
- Mounting: Standalone or Wall Mount
- Line Input: RCA Stereo (L/R)
- Output Power: 100w @ 4 Ohm / 50w @ 8 Ohm
- Frequency: 20Hz - 200Hz

**NV-SUBAMP200**
- 200 Watt Rack-Mount Subwoofer Amplifier
- Unit Size: 19 x 8.9 x 1.7" / 482.6 x 226.8 x 43.2mm
- Mounting: Standalone or 1U Rack Mount
- Line Input: RCA Stereo (L/R)
- Output Power: 150w @ 4 Ohm / 75w @ 8 Ohm
- Frequency: 20Hz - 200Hz

**NV-SUBAMP500**
- 200 Watt Rack-Mount Subwoofer Amplifier with DSP
- Unit Size: 19 x 8.9 x 1.7" / 482.6 x 226.8 x 43.2mm
- Mounting: Standalone or 1U Rack Mount
- Line Input: RCA Stereo (L/R)
- Output Power: 150w @ 4 Ohm / 75w @ 8 Ohm
- Frequency: 20Hz - 200Hz
