**Intuity**

The smart home just got a lot smarter.

**Integrating Home Technology is Smart. Taking Total Control of Your Home Technology? That’s Genius.**

Combining today’s top technologies for entertainment, security, comfort, and convenience, Intuity integrates high-performance Legrand subsystems and select third-party devices to create a unified ecosystem. Easily controlled through a single, aesthetic, and intuitive interface, Intuity grants easy management of an entire home with access through both the mobile devices you already love and Intuity’s on-wall Command Center.

### Intuity App
Putting the power of access and control into the palm of your hand, the easy-to-navigate Intuity App transforms your smartphones and tablets into a portable control center.

### Command Center
Blending into any décor with a sleek, recessed design and capacitive touch controls, Intuity’s Command Center means management of your lighting, cameras, audio, and more, from a conveniently built-in component.
