These brushed stainless steel dust covers are designed to handle challenging conditions including dusty, corrosive environments, or hard-use areas. Yet they provide a smooth, handsome style that fits anywhere. Note: these covers are not suitable for wet locations — see our Weatherproof Covers if water resistance is required.

**Exceptional durability plus dust protection.**

Made of .030 inch thick 302 brushed stainless steel to help protect against corrosion.

Aesthetically pleasing design.

These stainless steel covers are dustproof only and do not meet NEC 406.8(A) or (B).

**Features & Benefits**

- Stainless steel springs.
- Made of .030 inch thick 302 brushed stainless steel to help protect against corrosion.

**Field Uses/Vertical Markets**

- Industrial
- Health Care
- Education
- Institutional
- Retail
- Office
- Hospitality/Lodging
- Multiple Dwelling
