CRFB SERIES ROUND RECESSED FLOOR BOXES

For both raised and wood floors, CRFB Series Floor Boxes meet demands for function and flexibility – without disrupting the design of a space. Available in multiple options with different levels of capacity, choose the right size for your application that blends in seamlessly with the environment around it.

IDEAL FOR MANY SPACES
- Open Office Environments
- Conference Rooms
- Computer Centers
- Stages
- Altars

FEATURES & BENEFITS:

PRODUCTIVITY
- Easy installation in a standard round diffuser opening, before or after the floor coverings are installed, with locking tabs that secure it to the floor
- Prewired and custom plate options that reduce labor costs for field installations and increase contractor productivity

FLEXIBILITY
- Multi-compartment boxes that can be field-configured or reconfigured for any combination of services
- Accepts a wide range of A/V devices for a seamless interface for voice, data and A/V applications at the point-of-use
- Compatible with raised and wood floors
- Accepts a wide range of conduit sizes

MEETS CODES
- TopGuard™ Protection meets/exceeds all UL scrub water exclusion requirements for tile and carpet floors by preventing water, dirt and debris from entering wiring compartments
- Meets ADA Accessibility Guidelines with a wide trim flange designed to meet the ADA Standard 4.5 for changes in the floor and ground service levels, plus beveled poke-thru trim flanges so the slope is no greater than 1:2 ratio
- Meets NEC Section 300-22(C) and is suitable for use in air handling spaces and raise floor plenums
- Listed by Underwriters Laboratories Inc. to U.S. and Canadian safety standards for raised and wood floors
CRFB2 ROUND RECESSED FLOOR BOX

- Two compartments for your combination of power, communication and A/V services
- Removable divider that allows the box to be used for a single service
- Fits in a 6” deep raised floor
- Accepts the 6” round Evolution™ Series covers
- Trade size knockouts of ½”, ¾” and 1”
- Available in five colors: black, aluminum, gray, brass, nickel and bronze

CRFB4 ROUND RECESSED FLOOR BOX

- Four compartments for your combination of power, communication and A/V services
- Tunnel feature that allows the two outer compartments to be used for a single service, while the other two can be used for different services
- Fits in a 6-5/8” deep raised floor
- Accepts the CRFB Series round covers or 8” round Evolution Covers
- Trade size knockouts of ½”, ¾”, 1 ¼” and 2”
- Available in five colors: black, aluminum, gray, brass, nickel and bronze
