Bring connections up to your fingertips

Upgrade your workstations to well connected spaces with the new Wiremold® Desk Modules so you can focus on the business at hand.

- **Increase functionality of the work surface.** Replacing existing grommets with integrated power, communications and USB charging.

- **Convenient retractors.** Provide secure, adjustable cable management for USB and RJ45 cabling.

- **Effortless installation.** Adapts to existing desk grommets or can be easily installed with a hole saw. Retractors snap into position onto the module.

- **Protect cable egress.** Included cable guides and edge guard provide increased cable protection and reliability.
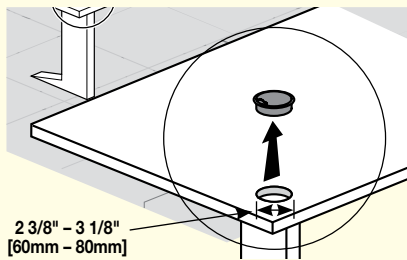

designed to be better.™
