FEATURES & BENEFITS

USAGE
Perfect anywhere you’d like to hide outlets when not in use and enjoy the additional capabilities of three plugs when they are.
The adorne Pop-Out Outlet features three plugs for added power and disappears into the wall with a simple push when not needed.
This 2-gang version allows for pairing with another adorne switch, dimmer or outlet.
With a patented shutter system, plugs are tamper-resistant to keep children protected.
This item is also available in a 1-Gang 15A or 1-Gang 20A option.
This item is also available in magnesium and graphite.

GETTING STARTED

• Time to install: 15 minutes or less.
• The Pop-Out Outlet comes with a special frame for mounting and requires a deep electrical outlet (22.5 cubic inches). It does not require new wires for typical installation.
• Innovative snap-in system ensures easy installation.
• This item requires an adorne Wall Plate. Shop now to choose from dozens of finishes including a variety of luxurious metals, or order in your own custom finish.
