PADDLE™ SWITCH, 20A, 4-WAY, WHITE

ASPD2042W4 | adorne

FEATURES & BENEFITS

USAGE

• Perfect for anywhere you’d like to upgrade the look of a standard switch.
• With a classic up-and-down motion, the adorne Paddle Switch lets you turn lights on and off with ease.
• Use on its own to control a light from one location (single-pole operation) or pair with a second switch or dimmer to control a single light source from two locations (three-way operation).
• Pair with matching Paddle Dimmer Switch or Paddle Fan Speed Control to create a uniform look throughout a room or your entire house.
• This item also comes in 15A and 20A options.
• This item is also available in magnesium and graphite.

GETTING STARTED

• Time to install: 15 minutes or less.
• Fits existing electrical box and does not require new wires for typical installation.
• Innovative snap-in system ensures easy installation.
• This item requires an adorne Wall Plate. Shop now to choose from dozens of finishes including a variety of luxurious metals, or order in your own custom finish.
