
UNIVERSAL RESTRAINT CLIP - RETROFIT

PW-URCR | [Cablofil](#)

FEATURES & BENEFITS

The URCR clip is designed for use in attaching seismic cable bracing to equipment and trapeze supports. This clip can be used in both new and retrofit installations. The fitting is slotted to allow an existing fastener to be loosened and the URCR clip positioned without removal of the fastener. The two cable mounts will accept Gold, Orange and Green cable. The UL listing applies to Gold and Orange cable assemblies only.

- Make cable connections to existing braced components
- Clip can be used in both new and retrofit installations
- UL Listed
- Available sizes: 1/4, 3/8, 1/2, 5/8
- Complies with National Building Codes
