

SERIES TWO LANDSCAPE SPEAKER, SATELLITE (PAIR)

NV-2LS3-SAT2 | [Nuvo](#)

FEATURES & BENEFITS

The Series Two Landscape Satellite Speakers have a three 3.5" inch poly woofer and a half inch UFLC tweeter in a low profile, black teardrop enclosure for clear, robust audio and even coverage. Designed to deliver impersive sound to outdoor areas, the satellite speakers are easy to install with color coded direct burial speaker wire leads.

The Satellite Speakers are the ideal add-on to the Nuvo Series Two Landscape Speaker System for larger outdoor areas where more audio coverage is desired.

- 3.5" poly woofer and .5" UFLC tweeter deliver clear, robust audio
- IP67 and MIL-STD-810 compliant to provide years of reliable performance in harsh weather conditions.
- Low profile, black teardrop enclosure seamlessly blends into any landscape
- Includes two Satellite Speakers and mounting spikes
- Ideal add-on to the Nuvo Series Two Landscape Speaker System for larger outdoor areas where more audio coverage is desired
- Lifetime Warranty
