

## P10 KEYPAD, LIGHT ALMOND

NV-P10-LA | [Nuvo](#)

---

### FEATURES & BENEFITS

The Nuvo P10 Keypad (NV-P10-LA) offers convenient in-wall control of core functions of a single zone of any Player Portfolio system. The P10 offers users easy command of Volume, Mute, Play, and Pause, as well as Next/Previous track navigation, and with additional access to five system preset Favorites. With its sleek backlit design, available color options (white, light almond, and nickel), and single-gang architecture, the P10 pairs simplicity with style. The P10 works in harmony with the Nuvo Player app to keep both control methods in perfect sync, and is powered by a single RJ45 POE connection.

- Convenient in-wall control of Play, Pause, Volume, Mute, and Track Skip
- Favorite button recall quickly jumps to top five preset sources
- Dimmable white LED backlit keypad
- Sleek single-gang design for unobtrusive wall placement
- Single wire connectivity via POE
- Available in white, light almond, nickel
- Seamless integration into advanced automation systems from Vantage, Crestron, Control4, KNX, and more - visit the [Player Portfolio third party drivers page](#).
