

IN-WALL TV POWER KIT

HT2202-WH-V1 | [On-Q](#)

FEATURES & BENEFITS

Easily hide power and AV cables inside the wall without modifying the homes electrical wiring. This kit includes everything needed to extend power for wall mount TV installations while providing the ultimate flexibility with the innovative decorator based power inlet strap and the recessed box with duplex power receptacle.

- Extend power to a wall mount TV without modifying the homes existing electrical wiring
- Duplex receptacle powers multiple devices such as a TV, speaker bar or internet media box
- Recessed receptacle supports almost any type of power plug including right angles and wall warts
- Unique decorator based power inlet strap provides flexible project support for ganging other connections
- Hides both power and AV cables for a clean, professional installation
