

LYRIQ™ HIGH PERFORMANCE AUDIO KEYPAD, BLACK

AU1000-BK | [On-Q](#)

FEATURES & BENEFITS

The LyriQ high performance keypad from Legrand delivers convenient, built-in control of the LyriQ Audio System in applications requiring superior power and fidelity. Homeowners can relax outdoors to the crisp, clear sounds of their favorite artists. Or, they can entertain throughout the house without missing a single riff. And they can control it all through the touch of a universal remote. The LyriQ High Performance Keypad takes whole-house audio and cranks it up a notch.

- Better fidelity for more bass and mid-range sound
- Enhanced performance and power with 20 W per channel (Class D)
- Active sub-woofer support with 80 Hz low pass filter for a true 2.1 multi-room audio implementation
