SELECTIVE CALL INTERCOM VIDEO DOOR UNIT, WHITE
IC5003-WH | On-Q

FEATURES & BENEFITS

This innovative door unit, housed in an attractive weatherproof finish, includes a wide-angle color camera for front door monitoring. When integrated with the On-Q camera system LCD, the doorbell press enables the image from the door unit camera to appear on the LCD screen. The image can also appear on any TV connected to a TV display port.

- Crisp color image also performs well in low-light conditions.
- Includes up to 20 digital door tones.
- As part of the Studio Collection this innovative video door unit enhances the curb appeal of any home.
- Installs in a standard double gang opening with simple RJ45 plug design for easy installation and troubleshooting.
