8-PORT NETWORK INTERFACE MODULE

363486-01 | On-Q

FEATURES & BENEFITS

Cat 5e rated module supports termination of up to eight On-Q Cat 5e cables for interconnection to a local area network or digital data services. Provides a termination point for telephone cable runs when using the 1x8 Enhanced Telecom Module and the 8-Port Telecom Expansion Module. The 8-Port Network Interface Module has front-mounted 110-style blocks for Cat 5e cable punchdown connections. UL Listed. 3"H x 6.5"W.

- High-speed Cat 5e termination point for digital data services
- RJ45 jumpers sold separately
- Provides connectivity for computers for a local area network (LAN)
- RJ45 8-pin modular jacks provide for time-saving termination and hassle-free connection changes
- High-quality Cat 5e termination using 110-style punchdown to RJ45 modular jacks

SPECIFICATIONS
