

## 42" PLASTIC DOOR AND TRIM KIT (5 PACK)

ENP4261-5 | [On-Q](#)

### FEATURES & BENEFITS

This kit includes a hinged door and coordinating trim ring for the 42" Plastic Enclosure. Constructed of robust wireless transparent ABS plastic, it allows seamless integration of wireless devices into traditional structured wiring installations. The trim rings cover drywall imperfections to create a clean, finished look. [Click here](#) to learn more about the unique features that will save you time and simplify installation.

- Made with ABS plastic, the enclosure is designed to integrate wireless devices without interference.
- Cover adds 1.2" of depth for cable headroom and 3rd party device compatibility.
- Extra venting along the vertical plane of the door allows for superior heat dissipation.
- Trim Ring conceals drywall imperfections, creating a smooth transition to wall surface.
- The Trim Ring's modular snap-together design saves valuable space and cost of bulky shipping and warehousing.
- Trim Ring can be installed to support left or right door swing.
