

DECORATOR WALL PLATE, SINGLE GANG, WHITE

OR-FPSGDPSW | [Ortronics](#)

FEATURES & BENEFITS

Ortronics single gang screwless decorator wall plate with sub-plate is designed to accommodate the USB charger receptacle and all NEMA 26 decorator style openings.

- **Rugged self-extinguishing thermoplastic nylon:** Virtually unbreakable, resists cracking.
- **Low profile, aesthetically pleasing contour design:** Provides clean professional look.
- **Pre-installed mounting screws:** Prevents lost hardware and eases installation.
- **Compatible with Ortronics USB Charger receptacle:** Perfect fit, finish, and color match.
