

## CAT6A SHIELDED SELF TERMINATING KEYSTONE JACK

OR-TKS6A | [Ortronics](#)

### FEATURES & BENEFITS

Category 6A shielded Jack, Self terminating . Rear -loading . Quick and easy lacing cap termination, Universal T568A/B wiring label.

**PRODUCT**  
ENVIRONMENTAL PROFILE

- **Meets Category 6A component standard:** ensures standards compliance
- **Easy lace wiring:** reduces wiring time
- **Self terminating jack:** no special tools required
- **Easy to follow universal wiring label:** quick and user-friendly, eliminates confusion
- **Rear loading:** preferred mounting for panels
- **RoHS compliant:** lead free

### SPECIFICATIONS

#### GENERAL INFO

Category Performance Application: Category 6A shielded  
Color: Silver  
Footprint: Keystone  
Mod Jack Wiring: Universal T568A/B  
Termination: Insulation displacement contacts  
Type: Jacks and Modules

#### LISTING AGENCIES/THIRD PARTY CERTIFICATIONS

RoHS: Yes  
CUL Listing No: E131600  
FCC Standard: Yes  
UL Listing No: E131600

#### CONSTRUCTION INFORMATION

Component 1: Cast metal jack housing

Component 2: Array of eight modular jack contacts

Component 3: IDC contacts (Low noise)

Material 1: Zinc alloy housing

Material 2: Phosphor Bronze alloy w selective gold plating over nickel

Material 3: Phosphor Bronze alloy w tin alloy plating

#### **DIMENSIONS**

Depth (Metric): 39.88 mm

Depth (US): 1.57 in

Height (US): 0.9 in

Width (Metric): 16 mm

Width (US): .63"

#### **TECHNICAL INFORMATION**

Category Rating: Cat 6a component compliant

Performance Rating: Cat6a
