
MIGHTY MO AIR PLUG, 5" X 6" X 24"

OR-MMAPL0624 | [Ortronics](#)

FEATURES & BENEFITS

[DISCONTINUED] Mighty Mo Air Control products significantly reduce cooling requirements by creating a physical separation between the cold and hot air. They provide a contained supply of cold air to equipment, dramatically reducing active equipment energy consumption.

- Air Plugs** are used to fill in cable openings in the raised floor or any gaps where airflow needs to be blocked: Maintains cooling efficiency.
- Soft and compressible:** They are safe to use around all types of cable, including fiber optic cable and are easily installed.
- Made from Sandel™:** Fireproof, contains no asbestos and is non-combustible at any temperature.
- Available in several sizes:** Covers most any size opening.
