

HDFM FIBER MODULE WITH HILOC BOOT, MTP, AQUA

OR-HDHFMTZNL-00 | [Ortronics](#)

FEATURES & BENEFITS

HDFM Fiber Modules with integrated HiLOC mounting foot are feed through fiber optic adapter modules that support high density applications by adding 0U patching capability outside of the rack or cabinet. These modules provide superior cable strain relief for routing in mounting accessories such as in the Universal Cable Trough, Multi-Use Panel integrated with Cablofil Tray, the MM20 HiLOC Cable Management Disk.

- Modular, high density solution
- Supports faster installation
- Zero U mounting outside of the rack or cabinet
- Mounting accessories accept snap-in cable management spools
- Superior cable strain relief
