
VERTICAL CABLE MANAGEMENT KIT FOR 12RU SWING-OUT WALL-MOUNT CABINET

SWMVFK12RU | [Legrand](#)

FEATURES & BENEFITS

The Cable managers are a set of 2 brackets with cable management fingers mounted to align cables exiting and entering individual RU locations with the 19" rack. The bracket kits are easy to install and will adjust front to rear with the 19" mounting rails. Includes mounting hardware and has 12RU spacing.

- **Front Cable Management:** Provides for clean cable management at the front of the SWM cabinets, adjusts with front mounting rails
- **Individual Fingers at RU Level:** The cable management fingers are separated at each rack unit level, allowing for each RU to be routed independently
- **Easy Install:** Installs without disrupting 19" rack-mounted equipment
- **Kit Contains:** Set of 2 finger sections and associated mounting hardware
