
MIGHTY MO OVERHEAD CABLE PATHWAY RACK, 5RU, WHITE

MMOHR-5RU-W |

FEATURES & BENEFITS

Overhead rack to support additional rack space above existing racks or cabinets. Easily installs to wire cable tray, tubular runway, or threaded rod. The racks are fully assembled and bonded as packaged. The racks are available in 2RU thru 8RU, in black or white to match any installation. Includes a 3 piece waterfall to elegantly route cables down to the lower racks. Used when floor space is at a premium or for easy top of rack cable patching.

- Available in all RU increments from 2RU to 8RU
- Will mount to the following: Legrand's Cablofil and Tubular Runway in both parallel and perpendicular directions, multiple locations across the face of Cablofil and Tubular Runway, and using threaded rod.
- 3 piece waterfall snaps onto front for elegant cable egress down to lower racks.
- Interchangeable easy clip Cablofil and Tubular Runway brackets.
- No frame assembly required.
- Lightweight, easy to install.
- Optional cable management rings.
