
Q-SERIES CABLE RETENTION RING KIT, PKG OF 4, BLACK

QSOHR-CRB-B |

FEATURES & BENEFITS

Cable retention ring kit consists of 4 rings to improve cable management from the overhead pathway racks. The rings have a quarter turn feature which makes them easy to install, even after the rack has been deployed. The rings can mount to the front surface as well as the side surfaces of the rack.

This kit contains 4 cable retention rings to manage cables from the front or side of the cable pathway rack.
