

**RAPIDRUN®; SINGLE GANG VGA
(HD15) + 3.5MM + COMPOSITE VIDEO +
STEREO AUDIO + KEYSTONE WALL PLATE
- BRUSHED ALUMINUM**

60039 | [Quiktron](#)

FEATURES & BENEFITS

RapidRun® is designed to be the standard for in-wall audio/video installations. Using pre-terminated Break-away flying leads and wall plates with an in-wall runner ensures flexible, efficient, high quality connections for all types of equipment, with no field terminations.
