

TOGGLE SLIDE DIMMER FLUORESCENT, SINGLE POLE / 3-WAY 8A, WHITE

TSDFB83PW | [Pass & Seymour](#)

FEATURES & BENEFITS

Replace your standard switch with the new Toggle Slide Dimmer by Legrand. The new Toggle Slide Dimmer offering has been optimized for today's complicated dimmable bulb market. Different bulbs require different dimming solutions and Legrand has you covered for all your lighting needs. The ergonomic slider was designed with the end user in mind making it easier to adjust in the dark or on the run. Like the rest of the Legrand dimmers, no de-rating is required in multi-gang applications.

- New aesthetically pleasing ergonomic design allows for easier operation.
- Convenient operation—combines ON/OFF toggle switch with separate slider for dimming control.
- For use with 2-Wire Fluorescent fixtures.
- All models are capable of single pole and 3-way operation.
- Rating: 8A Fluorescent Dimmers, 120VAC, 60Hz
- Constant memory returns lights to previous levels after a power failure.
- Screw-pressure-plate backwire terminals save time, space and money.
- Seven additional face cover colors available but sold separately (see TSDKIT*).
- Lifetime warranty.
