

DECORATOR ROTARY DR SERIES DIMMER, IVORY

DR1103PIV | [Pass & Seymour](#)

FEATURES & BENEFITS

Preset Decorator Rotary Dimmer, Single Pole/3-way/1100W with pilot light, Ivory

- A new style that matches P&S Decorator Combination devices.
- Accepts Snap-In Light Module (sold separately) to convert decorator rotary devices into illuminated-type in moments; makes devices easy to find in the dark.
- Screw-pressure-plate backwiring speeds installation and ensures solid, high-quality electrical connections. Also supports traditional, wire-loop side wiring.
- Heavy-gauge black anodized aluminum strap provides superior heat management and structural strength for mounting against wall surfaces.
- Slim design leaves more room in the box and makes installation faster and easier.
- Higher ratings of 700 and 1100 watts.
- No de-rating of 700 watt devices.
- Single pole and 3-way in same device.
- For covering patents, see www.legrand.us/patents.

SPECIFICATIONS
