

1-GANG LV NAIL ON BRACKET FOR NEW CONSTRUCTION WITH QUICK/CLICK

PLV1R | [Pass & Seymour](#)

FEATURES & BENEFITS

Designed for use in single gang openings, the 1-Gang LV Nail on Bracket is ideal for low voltage installations such as keystone wall plates and audio keypads. Intended for new construction projects, this bracket installs easily and securely with the included nails. The bracket features a top opening for integrated cable management and easy connections.

- Constructed with rigid, durable plastic, the bracket installs securely with heavy, full-sized nails
- Spacious opening accommodates larger low voltage devices and makes wiring a breeze
- Features top opening for convenient cable management
