
DISPLAYPORT FEMALE TO FEMALE PANEL MOUNT COUPLER

18405 | [C2G](#)

FEATURES & BENEFITS

The DisplayPort Female to Female Panel Mount Coupler is the perfect solution for combining two DisplayPort cables to achieve connectivity through a panel. This allows the user to provide display connectivity from a source that is contained within a secure location. The coupler is compact and designed for minimal signal loss. The passive design of this coupler allows it to support video resolutions of up to 1080p.

Note: Standard signal length limitations apply to coupled cables
