
10FT DUAL BAND INFRARED (IR) RECEIVER WITH 3.5MM PLUG (TAA COMPLIANT)

98045 | [C2G](#)

FEATURES & BENEFITS

Ideal for use with #40430, Infrared (IR) Remote Control Repeater Kit. Simply place this IR target to the front of your TV or any IR-controlled device. A 3.5mm plug connects to a three conductor, 3.5mm keystone jack for connection into your IR system. The 10 foot cable allows you to move the target to a position best suited to receive the IR signals from your remote control. Connect via economical UTP cable; 12V DC operation is compatible with common IR devices. You can even control audio/video devices located behind doors or in other rooms!

- Frequency Range - 34 to 60 KHz
